IND BUDGET FORMAT

Department of Science & Technology (DST) promotes new areas of S&T in the country and connects S&T sector to different Government horizontal and verticals, academia, R&D and industry. DST provides the largest extramural research and development support in the country to strengthen national S&T capacity and capability through a competitive mode to scientists cutting across institutions and disciplines. This strategically important function mutually reinforces outcomes of our country's educational, scientific and industrial R&D initiatives and helps transform the S&T landscape of the country. The DST supports and encourages the whole gamut of S&T ecosystem from seeding and capacity building in the cutting-edge research areas, translational research, technology development and deployment, innovation and startup ecosystem, and international collaborations. This is achieved by supporting students, scientists, researchers in academic and R&D institutions across the country through fellowships, PhD students, S&T infrastructure, and other activities.

# Registration of Organisation

## Remember.. Before starting ... Register your organisation

- If you want to participate in a project proposal, your organisation needs to be registered and have a **9-digit Participant Identifications Code (PIC)**
- You can verify whether your organisation is already registered and has a PIC on Portal
- <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/how-to-participate/participant-register>
- If not, you can start the registration process on the same page and, once completed, get the PIC to be quoted in your proposal and in any correspondence with the Commission.

The screenshot shows the 'Participant Register' page on the European Commission's funding portal. The page header includes the European Commission logo, the text 'Funding & tender opportunities Single Electronic Data Interchange Area (SEDIA)', and language options for English and EU. A navigation bar contains links for 'SEARCH FUNDING & TENDERS', 'HOW TO PARTICIPATE' (highlighted in yellow), 'PROJECTS & RESULTS', 'WORK AS AN EXPERT', and 'SUPPORT'. A 'Need help?' button is located in the top right corner.

The main content area is titled 'Participant Register' and contains the following text:

If you want to participate in a call for proposals or in a call for tenders with eSubmission, your organisation needs to be registered and have a 9-digit Participant Identification Code (PIC). Please quote your PIC in all correspondence with the Commission.

The register contains all participants of EU programmes.

The page is divided into two columns:

- Is your organisation already registered? PIC search**: This section includes the instruction 'Please check whether your organisation has already been registered. If so, no need to register it again.' and a 'Search a PIC' button.
- Register your organisation**: This section includes the instruction 'To register your organisation or as a natural person, you need to login into the Portal or, if you are a new user, create your account. Check what information you need to register in the Online Manual - and keep it to hand during the registration procedure. To start registration, click on the button below.' and a 'Register your organisation' button.

# Work as an expert

## Work as an expert (if not involved in project)

- For evaluation of proposals
